Press Release

AITA cancels all domestic tournaments with immediate effect

The All India Tennis Association (AITA) decided on 12th March that all the AITA events and tournaments coming up in the next two months stand cancelled with immediate effect due to COVID-19 pandemic.

All the tournaments on the domestic tournament calendar starting from coming Monday, 16th March 2020 will not be held till the time the situation has been reviewed again and further communication is issued by AITA for the resumption of tournaments and events.

Subsequently, AITA received an official communication from the International Tennis Federation (ITF) that all International tournaments (Men's and Women's ITF World Tennis Tour, ITF World Tennis Tour Juniors, Uniqlo Wheelchair Tennis Tour, ITF Beach Tennis World Tour, and ITF Seniors Tour) up to 20th April 2020 have also been postponed.

Similarly, the ATP Tour has announced a six-week suspension of the men's professional tennis tour due to public health & safety concerns over COVID-19.

The WTA Tour has also cancelled this year's Miami Open, Volvo Car Open and the Bogota and Guadalajara WTA events.

Accordingly, all tournaments and events, both domestic and international, in India stand cancelled/postponed till further notice.
